

Need To Train New Perioperative Nurses?

FastTrack™ Program

As you are aware, most hospitals, medical centers and ASCs are faced with a shortage of perioperative nurses.

Let the experienced NISE™ (*Nurse In Surgery Essentials*) perioperative nurse educators supplement your staff to meet your training needs.

NIFA has adapted its accredited 8-month NISE program to meet the unique needs of facilities who need an expedited training curriculum and created the new, **3-month FastTrack™ Program**. This program is based on the AORN Guidelines for Perioperative Practice. FastTrack™ training can make the orientation of OR nurses, and cross training Pre-Op and PACU nurses, as easy as 1 - 2 - 3!

1. Your staff's orientation begins with a 4-hour **Virtual Learning Experience (VLE)**, presented by our perioperative nurse educators covering fundamentals of perioperative practice (awards 4 CEs*).
Next VLE 5/30/24
2. The VLE is followed by 90-days of access to our perioperative program materials including:
 - Video presentations
 - Reading assignments
 - Competency sign-off sheets
 - Competency quizzes
3. FastTrack™ will include twice monthly **Lunch and Learn (L&L)** with our nurse educators.
 - Check in on clinical experience, Q&A period/added help for preceptors
 - Final Exam - Certification Exam Prep

FastTrack™ was created by utilizing NIFA's Nurse in Surgery Essentials Program (NISE); specifically developed to expedite the nurse perioperative orientation process. NISE materials were developed in a partnership between NIFA® and the Competency & Credentialing Institute (CCI®).

All graduates will receive a **Certificate** and **Digital Badge**. This is the nation's only psychometrically sound knowledge-based test built on the 2023 NIFA test development work and constructed on a national level job analysis of the perioperative nurse role.

The NIFA logo consists of the letters "NIFA" in a bold, white, sans-serif font, followed by a registered trademark symbol (®). To the right of the text is a white graphic of a medical cross with rounded ends.

SPECIAL !

Only \$505

Normally \$695 per license
Offer Ends May 31, 2024
